My Invitations
By Shomit Sirohi

Sirohi and Zizek these days with French Philosophers – the Wunderkid seen in all cases

I. Irving College, America
II. Princeton and Harvard College, America
III. Oxford and Cambridge, London
IV. Complutense, Madrid
V. Universidad de Havana, Havana
VI. Polish Film School, Lodz
VII. Goethe Institut, Berlin
VIII. Many Such Institutes in Europe (20 such)
IX. Farmaiar Institute, Berlin
X. Maybara Institute, Berlin
XI. Lorana Institute, Amsterdam

All crowds are students of Philosophy, Economics or in fact liberal arts and art, fine art mainly.

Earlier with Zizek and Badiou debates going on –

I. Birbeck Institute, London

Such events with far right crowds, because of circulating categories of their debates – more populist than actual.

It was really full of crisis this period for Zizek and Badiou – they also went for events, but have to say, it was a circulating category crowd.
